## Part A (Continued) - INMATE REQUEST

the three officers stopped me and Officer Cropper said "Next time I'm going to take it." I asked what he was ref to and he said "that hat." I accidentally wore my head scarf to med-line rushing out to make it. I was a little off guard because there had been 2 other officers outside watching the line that didn't address it or anyone else with hats or scarfs but needless to say those are the rules so I said to myself in a hushed tone as I was turning to walk away "Ummm. ok that's crazy." One of the other officers stopped me again and said "Did you just say Fuck you get out of my face?" Shocked by his question and aggression I immediately replied "No I didn't, are you about to make it look like I did?" officer Cropper then responded "Now give it to me and get the Fuck out of here before we..."

## Part A (Continued) - INMATE REQUEST

Write you a ticket and you will be surprised by what we can make you say." Terrified at his threatening of my freedom and their unwarranted aggression toward me I didn't say another word and came back to my building.

I am now even more hightend to the threat of my safety, well being, and freedom in this open housing facility as a trans woman not only from inmates but also the staff and officers that will brasinly disrespect and even threaten me. They need to be terminated for their open disregard for regulations and policy and I want monetary compensation of \$100,000.00 per day starting from the day of my transfer to this facility.
